

Net DIGITAL
MAJOR PROJECTS
DIVISION

WE'RE WITH YOU,
EACH STEP OF THE WAY

Net Security Wholesalers are a leading South Australian electronic security wholesaler offering the latest technologies available from leading-brand manufacturers in Access Control, CCTV/IP Video, Intercom, Alarms and Public Address.

The specialist representatives in our Major Projects Division are dedicated to ensuring that the needs of our customers are satisfied through-out the entire project. From the design and quoting stages, right through to commissioning, you can rely on the Net Digital Major Projects Division for total support and commitment, each step of the way.
